## LINCOLN TECH AUTOMOTIVE TECHNOLOGY STUDENT | LUXURY AUTO TECHNICIAN TRACK | DIAGNOSTICS, ELECTRICAL & EV/HYBRID FUNDAMENTALS

Premium-brand automotive technician candidate targeting apprentice, express, service technician trainee, and EV/service assistant roles with Audi, Tesla, Lexus, Porsche, Mercedes-Benz, BMW, and other luxury New Jersey dealerships. Brings high-pressure logistics coordination, disciplined documentation, customer-facing judgment, and business operations experience into a technician path focused on diagnostic thinking, electrical systems, repair quality, and dealership service standards.

### TECHNICAL TRAINING

#### Lincoln Technical Institute, Union, NJ | Automotive Technology Program, 13-Month Intensive | May 2026 - June 2027

- Building hands-on capability across diagnostics, electrical systems, internal combustion engine repair, braking, suspension, steering, A/C, and maintenance protocols.
- Developing precision troubleshooting habits for modern mechanical and electronic vehicle systems.
- Targeting premium dealership pathways where documentation quality, tool discipline, customer trust, and manufacturer procedures matter.

### PROFESSIONAL EXPERIENCE

#### Executive Transportation Group, Jersey City, NJ

Transportation Coordinator | April 2024 - Present

- Coordinate ground logistics for high-volume transportation events supporting up to 500 passengers across major metropolitan hubs.
- Monitor live arrival/departure schedules, radio communication, and shifting field conditions to keep operations moving under pressure.
- Direct on-site staff and drivers while maintaining safety standards, customer satisfaction, and clear communication during complex service windows.

#### Fidelity Funding, Staten Island, NY

Business Loan Specialist | January 2022 - April 2024

- Managed a 4-person team supporting business funding requests from \$10,000 to \$500,000+.
- Streamlined documentation workflows to support loan approvals within 24-48 hours of submission.
- Maintained rigorous CRM records and performed detailed financial reviews for underwriting compliance.

#### Burger Bros, Marlboro, NJ

Operations & Service Lead, Promoted from Runner | February 2016 - 2022

- Oversaw daily opening/closing procedures, cash handling, customer service, and shift-level operational standards.
- Trained new staff on service expectations, issue resolution, and repeatable work procedures.

### COMMUNITY LEADERSHIP

#### St. Gabriel's Young Adult Ministry, Marlboro, NJ | Head of Workforce Development | 2026 - Present

- Building job-readiness programming and trade apprenticeship pathways for young adults in Monmouth County.
- Coordinating networking events, resume workshops, and practical career development support.
